II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (check all that apply)

- Federal question
- Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

Statement of Claim

On 2/12/21 evening I was traveling to Lowell, Massachusetts on route 3. During my travels I encountered a flat tire on the highway on the guest side of my car and began to pull over on the side of the highway in the emergency lane. While moving to the emergency lane, I turned my hazard lights on and stopped to call my brother Leonidas who was traveling in front of me to let him know that my front right tire caught a flat. When we stop to anylize the situation we made some phone calls to some near by tire shops that was about a half a mile away from our current location on route 3. We traveled slowly in the emergency lane with our hazard lights on to get off the next exit that was less than a half a mile away to change the flat tire. As we slowly traveled in the emergency lane I noticed police emergency lights on in my rear view mirrior pulling up behind my car. As police pulled up I attempted to get out the car to let police know the situation, and that we had everything

under control. The highwayman told me to get back in the car before I could even inform him what was going on. After sitting in the car for about 5 minutes Policeman Welby (badge number 4651), walked up to my car a (2005 white Acura TL) and asked me what is going on and why do I have my hazard lights on. I informed him that my right front tire caught a flat and that I'm going up the highway at the next exit to change it at the tire shop. He said ok and began to ask me for a license. I asked him, why are you asking me for a license if I haven't been suspected of committing a crime and I haven't been pulled over. Mr Welby alleged that it was protocol and that he has to ask people for licenses. I told Mr Welby that I don't have a license because I'm traveling and that I have registration and insurance to my car, as well as my nationality identification card which has my name (Rashad Bey) on it, as well as the registration and insurance that has my name, (Rashad Bey Highwayman Welby took my documents and went to his car. Ten minutes went by and I noticed two more

Massachusetts State policemen pulled up behind Mr Welby's car. Two of the policeman, Welby and another highwayman walked up to the van Leonidas was in and began to question him and demanded that he step out the car to search him without probable cause. Leonidas identified himself with his nationality identification card, and police let him go as his wife Lauren pulled up to our location. The highwaymen told Lauren that they were taken me because they couldn't identify me, even though I presented the same national identification card Leonidas presented. After Leonidas and his wife pulled off policemen began to ask me what is the deal with the gun charges in Stoughton county and began to walk to my car to unlawfully search my car without probable cause or a warrant. I then was taken to concord state police barracks where I was unlawfully fingerprinted without my consent and was demanded that I answer questions. Mr Welby did an inventory check on my items and looked through my black wallet which had

Other identification cards that had my name (Rashad Bey) on it, such as my T.D Bank debit card, Lifetime fitness membership card, Funplex work Identification card and my Philadelphia training academy card. Mr Welby said that I can be released on \$40 bail, in which I said I have 40 federal reserve notes for bail. Shortly after the bail bondsman showed up and had documents that he demanded I sign or I won't be released. The bail bondsman asked if my name is Anthony Guess in which I said no my name is Rashad Bey. He began to threaten and coerced me by saying if I don't admit to be Anthony Guess and take a oath to being Anthony Guess that he is going home and I won't be released. Under threat, duress and coercion I was forced to sign the paper in which I wrote T.D.C for threat, duress and coercion. After giving the bail bondsman 40 federal reserve notes he told me that I have to come to court 8:30am on 2/12/21. I asked if it's possible to reschedule to another date due to me having to attend my grandmother's funeral.

On 2/12/21 at 10am. He said no, I have to go to court and that he's not signing off on the paper of release unless I tell him at that moment that I will attend court, He went on to say that if I don't show up to court on 2/12/21 at 8:30am a warrant will be issued for my arrest. Under threat, duress and coercion in fear for my life and safety, I told him that I will be at the court date at 8:30am. The next day I made a special appearance at Woburn District Court, which at the time Judge Frank was there to deal with my court hearing. The clerk called on Anthony Gress and I clarified that my name is Rashad Bey, the Judge went on to ask am I making my own presentment in which I said yes. He went on the record multiple times to recomend that I should use the court appointed attorney to represent me for the matter at hand, after I already denied the court appointed attorney multiple times. I was getting harrassed and Intimidated by Judge Frank's remarks. During the hearing I defended my self with the Constitution for united States of America, United States law and United States Supreme court case law. At the hearing there was no alleged witness or no injured party

making a claim against me. During the hearing the prosecutor brought up hearsay claims, claiming that I violated an alleged probation from Stoughton District Court. The Judge sided ~~with~~ the prosecutor to say that I violated probation allegedly and that they have probable cause, without any supporting evidence to their claim. Judge Frank said that he's revoking bail and that I will be going to jail until my next court date April 1st, 2021. My rights were violated because no evidence was never submitted on the record to support the prosecutor's claim or Judge Frank's judgement. The alleged probation document in which they claim my name is on doesn't have my signature or a probation officer signature on it. I have a copy of the document that was given to me at Northfolk Sheriff's office to support my claims. My Constitutional secured rights was violated because highwayman Welby didn't have any suspicion that I committed a crime when I was fixing a flat tire. My car was searched and seized without probable cause or a warrant supported by oath or affirmation and my liberty was taken without due process of law.
